PMP /CAPM Online Study Plan

The objective of this course is to make you pass your PMP certifications exam at first attempt and this is why we took time to develop this study plan.

Though the study plan here is highly recommended to guarantee your success at first attempt, you may use whatever plan or system best suited to you.

Our recommended test book is **PMP EXAM PREP 8th Edition by Rita Mulcahy**

We also recommend limited use (Just as reference) of a **Guide to Project Management Body of knowledge (PMBOK) 5th Ed.**

System Requirements:

1. Up-to-date internet browser
2. Up-to-date flash player
3. At least 3G/WIFI internet connection(for Video)

Portal Details/Procedures:

1. Log on to http://www.dexnovaconsulting.com , move your mouse to e-learning tab and click on **PMP/CAPM Prep**, then click on login
2. On the dashboard move your mouse to downloads and download all pdf materials. Use video menu to watch the Videos.
3. For Mock Exam / Assessment, use the menus dropdown applicable.

Note: login access is valid for 3 months from day of registration.
